

Cash In Transit (Non-armoured)

No need for tendering or quotes, the NSW State Government has established this State Contract so you can benefit from the competitive rates negotiated with these security service providers. Make sure your organisation is registered to take advantage of these competitive rates.

The Contract provides collection, transportation, banking, and risk-management services by utilising non-armoured vehicles (commonly known as 'soft-skin' cash in transit within the security agency).

KEY BENEFITS

- Excellent hourly / pickup rates negotiated with a range of quality service providers
- Supplier base offers extensive, state-wide coverage
- Service providers conduct a risk assessment to develop a suitable strategy for your cash collection needs
- Plain-clothed collection officers and unmarked vehicles are used to minimise risk
- Strict set of contractual terms and conditions means high standards must be met, including Occupational Health & Safety Regulations
- Security personnel have passed 'Working with Children' and 'Criminal Record Checks'
- Addresses risk assessment on the handling of cash and the requirements of the WorkCover Cash in Transit Code of Practice 2002

PRODUCTS & SERVICES

- Scheduled cash collection
- Banking services
- Risk management
- Complete insurance coverage

CONTRACT PERIOD

19/04/2010 to 18/04/2013

With 2 extension options of up to 12 months each
