

Retail Supply of Electricity (Large Sites)

State Contract 777 provides the retail supply of electricity for large sites, street lighting and traffic signals, for site consumption exceeding 160,000 kwh per annum (or approximately \$20,000 spend p.a. per site).

The contract for large sites was awarded from 1 July 2011 for a term of 3 years.

Please note: All sites below this threshold fall under the State Contract agreement for small sites (Contract 776). Enquiries for small sites should be addressed directly to AGL on 13 12 45.

Contract 777 covers the supply of electricity to eligible government customers in NSW/ACT. All NSW non-government customers should refer to Contract 777A.

KEY BENEFITS

- Dedicated Account Management
- No establishment costs for contract users
- Pre-negotiated fair contract conditions - the contracts have a head agreement and individual customer contracts (Retail Electricity Supply Agreement)
