

PC's, Notebooks and Servers

Hundreds of organisations including Government departments, public sector agencies, education providers, councils, hospitals and non profit organisations are taking advantage of between 20 to 40% discounts on major brand PCs and notebooks through this State Contract. Make sure your organisation is registered now to benefit from these great savings.

KEY BENEFITS

- On average 30-40% savings on desktops and 20% savings on notebooks
- Reduce red tape. No quotes or negotiation required, same low price for purchases for all agencies and 4 year warranty period
- Six monthly specification review means that products keep abreast of an ever changing market place
- All prices on central catalogue in smartbuy®.

TESTIMONIAL

"The contract has given us the ability to buy significantly more computers for the same money. Normally we buy 25,000 a year. This year we're buying 30,000."

Stephen Wilson, Chief Information Officer,
Department of Education & Training.

ADDITIONAL FEATURES

- CIO Executive Council involved in six monthly review of specifications
- Single minimum specification, including upgrade and downgrade options
- Environmentally sensitive disposal available - supplier take back one PC for every PC installed. Check supplier for details
- Associated services (installation; loading of SOE; loading of other software applications; decommissioning; disposal services and out of warranty repairs) can be purchased from suppliers as separate services
- Service level targets for delivery.
