

Government Cleaning Contract

The NSW State Government has established this Government Cleaning Contract in order for clients to benefit from the competitive rates negotiated with cleaning service providers against agreed cleaning performance standards.

KEY BENEFITS

- Assurance that all employees will have undergone security clearance processing, including working with children checks prior to commencing work at your site.
- Strict Quality Assurance Standards and monitoring to ensure a high standard of service delivery.
- Regular Compliance Audits to ensure currency of insurances, payments, and clearances.
- Online access to WebClean, a web-based management system.
- For multiple sites, only one invoice per contractor per month is provided.
- 24/7 call-out service for urgent repairs

PRODUCTS & SERVICES

- General, regular and programmed cleaning, 5 days per week (excluding public holidays).
- Random and compliant inspections of sites against contract and statutory obligations.
- Optional cleaning such as computer equipment, carpet, window & upholstery cleaning.
- Regular quality assurance inspections and on site record management.
- Cleaning includes all cleaning equipment and materials but excludes consumables.
- Online management using WebClean which enables the client to monitor, record, analyse and report on all aspects of cleaning activities.

CONTRACT PERIOD

29/01/2006 TO 30/06/2011

HOW TO PURCHASE

Should you require a quote, please email facilitiesmanagement@services.nsw.gov.au with all your details including a contact name and phone number to arrange to have your site measured. Pricing is contingent on site size, floor surface types, and frequency of service. Please note that a fee of approximately \$170 per hour applies plus out of pocket expenses, however the fee will be waived if you choose to continue with the contract.
