

# Microsoft Large Account Resellers

Whole of Government Contract 2311 is a new panel of Microsoft Large Account Resellers (LARs) for the supply of Microsoft Software and limited product fulfilment services. The contract provides licensing expertise and the procurement of Microsoft software licenses.

Should an agency require a new Microsoft software license, it is advised they contact one or more of the suppliers on the panel to discuss immediate and long term software requirements. Once quotes are obtained, agencies can place the order with their approved supplier of choice. In addition, DSTA provides a Software Asset Management service for users of this agreement that may assist in offering advice on the range of currently available offerings. The team may be contacted on 1800 NSWBUY (1800 679 289) or [nswbuy@services.nsw.gov.au](mailto:nswbuy@services.nsw.gov.au)

## KEY BENEFITS

- Streamlined license acquisition and management processes
- Strategic license optimisation advisory services
- Consistent and competitive pricing discounts
- Access to online and automated self-reporting portals
- Supplier education to allow agencies to maximise paid-for Software Assurance. The Large Account Resellers will host events and speak with agencies to maximise the Software Assurance benefits purchased by an agency.
