

Retail Supply of Natural Gas (Small Sites)

State Contract 4000 covers the supply of natural gas services for NSW and ACT Government agencies, councils and non-profit organisations (site consumption less than 10 Terajoules per annum).

Natural gas is a clean fuel and emits less carbon dioxide into the atmosphere than other fossil fuels. It is also an efficient fuel for hot water, heating and cooking, resulting in less energy usage and a cleaner environment.

KEY BENEFITS

- This State Contract allows users to achieve considerable cost savings due to the combined purchasing power of the State Government
- 12% off standard tariff rates (Commercial)
- 10% off standard tariff rates (Residential)
- A specialist service team from AGL has been established to assist users of the State Contract, the Major Accounts Consultants Team (MAC team)
- Site consumption reports
- Carbon calculator
- Unlimited roll-in of new customers and sites onto the contract
- Consolidated invoices
- Centralised electronic billing

HOW TO PURCHASE

Government agencies or eligible customers must first ensure they are registered as a buyer with NSW Procurement. The registration process will provide them with a nswbuy identification number. If you wish to check your organisation's eligibility to purchase under this State Contract, please contact the Client Support Centre: **1800 NSW BUY (1800 679 289)** or email nswbuy@services.nsw.gov.au.

Eligible and registered State Contract customers should complete a Retail Gas Supply Agreement (RGSA) with AGL Retail Energy Ltd. The RGSA will contain the terms and conditions as well as the contract rates applicable under the contract. To obtain a copy of the RGSA customers should contact AGL on: 1300 793 477.
